MINISTER FOR AGRICULTURE & FOOD 4

MINUTE

Dated April 24, 1959.

On a representation made to me by Shri B.Siddappa and others of Hiriyur Taluka for release of Survey No. 40 of Kannadlu Jogimatti State Forest of Chitradurga taluk for cultivation to Adikarnatakas of Maradihalli, Hiriyur taluk I had called for a report from the Chief Conservator of Forests on 28-3-1959. No reply has been received from him so far. In the meanwhile, during my tour in Chitradurga taluk I saw the area along with the Conservator of Forests, Bellary Circle and the District Forest Officer, Chitradurga, and the sketch obtained from them is enclosed herewith. The cultivable Forest area adjacent to the Hiduvali land is said to be about 600-700 acres in Survey No. 40 of Jogimatti State Forest. The Conservator of Forests and the D.F.O., Chitradurga have no objection for the grant of this land for cultivation. I feel, therefore, that we should have no objection to release the same provided they form a cooperative society and guarantee to cultivate it on a cooperative basis.

OFFICE OF THE MINISTER FOR AGRICULTURE
No. A-90

The Chief Conservator of Forests may therefore take necessary action in releasing the said land to the Revenue Department for disposing it of to the applicants on the condition of cultivating the same on cooperative basis. The applicants and the M.L.A., Shri T.Hanumiah may be informed of the said decision.

MYSORE GOVERNMENT SECRETARIAT
NO. 2507

FOREST BRANCH

Respected Sir,

Subject: Prayer to release S.No.40 of Kennadlu Jogimatti State Forest of Chitradurga taluk for cultivation to Adikarnatakas of Maradihalli, Hiriyur Taluk.

--

We beg to state that we had given representations to the Forest Department for releasing the 1,000 acres of S.No.40 of Jotimatti Forest for cultivation about 2 years back, as this is the only survey No. available for release for cultivation. There are no trees in the above S.No. 40 worth calling as Forest. Government is not getting any profit from these trees. If the land is thrown open for cultivation, Government will not only derive land revenue but will help about 100 families belonging to Depressed Class people who are landless and who are ready to go and settle in the above land and form an agricultural colony of their own. The aim of Government also is to help poor landless Harijans by granting lands, housing grants, bullocks etc. to improve their economic condition.

I would like to visit this area personally some time early. C.C.F should also be present
1/3/59

In the meanwhile it should be ascertained whether this is going to be a cooperative enterprise.
7/3/59

By C.C. A&F

Under the circumstances, we humbly request you kindly to order for the release of 1,000 acres of land in the abovementioned S.No. and distribute the same to the 100 families at the rate of ten acre to a family. We also request for issuing immediate permission to all the 100 families to put up sheds and live there.

Yours faithfully,

Sub:-Minutes of the Minister for Social Welfare, Excise and Prohibition regarding release of lands in Jogimatti State Forest of Chitradurga Taluk.

Ref:-Your memo No.AFD 125 FAF 59 dated 12-3-1959.

I write to state that the percentage of forest area in Chitradurga District is only about 9% against 33 1/3% prescribed under the National Forest Policy. The land in question is suitable for afforestation work under the Development Schemes. In view of the above it is not desirable to release any forest land out of this district for cultivation purpose. Incidentally it is pointed that Government in their No.AFD 402 DST 58 dated 9-1-1959 have also rejected the release of lands in this Forest.
